Louvres and Slats

Transform your patio, pergola, veranda, balcony, carport or outdoor space with stylish Louvres and Slats

Our durable yet modern range of louvres and slats are made from high quality aluminium, providing a low maintenance solution for additional privacy screening, ventilation and protection. Maximise the comfort and practicality of your favourite entertaining spot.

Louvres

Louvres offer protection from all types of weather conditions, while adding a modern, airy feel to your outdoor space. Our fixed louvres reflect heat while maximising airflow, ensuring your outdoor space is well ventilated and a more comfortable temperature.

Slats

Slats provide moderate protection from rain, direct sun and passing eyes. Slats can also be incorporated to define your space, to give a sleek modern look, separate areas or hide an unsightly fence.

Our powder-coated aluminium finish eliminates costly maintenance issues such as painting, cracking and warping commonly experienced with timber. Available in a range of popular colours and able to be installed in a vertical or horizontal configuration to suit your outdoor addition.
